Parent Volunteer Hours... yes it is that time of year again! I know with your busy lives most of you struggle with coming in to complete your parent volunteer hours. Please know that we started this program over 16 years ago with a few different ideas in mind...

- **Most importantly...** your child loves to have you come in and help in their class!
- When you volunteer in your child's school you get a better understanding on what goes on during the day, you become more familiar with the teachers that care for them during the day, and get to know the other kids they play with and talk about.
- Statistics show that when you start volunteering in your child's preschool you will become more involved in their elementary school experience.
- We're a non-profit organization that has a low budget for repairs and maintenance. By helping to maintain the school your tuition stays reasonable, equipment is safe, and the school looks nice!
- We have made so many improvements to the school through PVH. Our playgrounds were completely expanded and remodeled through parent hours, the waddler room was built (yes, it has not been there forever!) Little Blue was renovated through volunteer hours, and there are many small repairs and maintenance items that are taken care of each month by parents.

Please know that everything you do helps support your child's school. Some of the best things done were not on my list of ideas. Many parents have had ideas for the school or class presentations and those ideas are always the best! Have an idea? Want to see something done? Come and help us, we appreciate the support and your child does too!

Thanks!

We will be CLOSED on Wednesday, July 4th for the holiday! Have a safe and happy holiday!

New School Year Already?
Although we are having so much fun with the summer activities we have planned, it is time to start thinking about the new school year! We are currently working on new class lists as well as schedules and would like to see if we can get everybody what they need! If you would like to make any changes or are wondering what room your child will be in please talk with me!

Best Child Care Center!

Did you see the Local's Choice Awards last month? Blue Lake Preschool was voted the Best Child Care Center! A HUGE thank you to our teachers for making our program what it is! Your caring and love towards the kids and families in our school is what makes it the best! Thank you!

An Extra Fun Family Activity!

Our end of the Summer BBQ is on Wednesday, August 8th at 5:30pm at Crown Mtn. Park! More details to come but get it on your calendars today!

Our preschool graduation will be on Tuesday, August 14th at 6:00pm. This is a special celebration for the kids heading off to Kindergarten! It will be at the Gathering Center in Carbondale and will include a special presentation and dinner. Friends and family invited, this is a night you won't want to miss!
