Saturday, Ski Day? Prepare for the Holidays?

On Saturday, December 1st and 15th we will be open from 8:30—5:00 to give parents a chance to hit the slopes, prepare for the holidays, or do something fun! The cost is \$60 per child and will include snacks, lunch, activities and games, and a special movie! Reserve your spot today! Email us or sign up on the sign in table. Space is limited!

The weather is changing and we want to ensure we can still get outdoors whenever possible. Please ensure your child has an appropriate change of clothes in their cubby in case of accidents, messy art projects, etc. In addition to a change of clothes please have snow pants, boots, waterproof gloves, a hat, and a jacket here everyday. We follow the childcare weather watch guidelines on when to go outside. If you have any questions on when that is just ask!

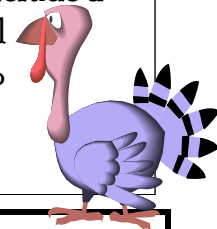

Holiday Program

Our holiday program will be Thursday December 6th. It will be at the Carbondale Middle School at 6:00. Please be there by 5:45! We will provide sandwiches and drinks and ask that each family bring a side dish to share. The children have been practicing... don't miss this special night! Friends and family invited!
We will be closing at 5:00!

We will be closed on Thursday and Friday, November 22nd & 23rd for the Thanksgiving holiday. Enjoy this special time of year with family and friends! If you would like to share a part of your holiday traditions with a classroom presentation we'd love to have you! Please see Michelle for dates and times that would work. Ideas would include a cooking activity, an art project, or a special story and activity. There's no better way to get those parent hours done! A classroom presentation equals 4 hours of time!

Gobble, Gobble, Gobble...

Join us on Tuesday, November 20th to have a Thanksgiving lunch with your child! We will be having turkey, mashed potatoes & gravy, stuffing, green bean casserole, and cranberries. Please let us know by Thursday, Nov. 15th at 5:00pm if you would like to join us so that we can plan accordingly!

Security Improvements

Thanks to grant funding from the Aspen Community Foundation we are installing an intercom system throughout the preschool. The new system will include direct access to speak and listen to each classroom and playground. There will also be a new camera and intercom system at the front door which will allow us to see who is at the door before walking out there!
